

KC Myopathy Support Group
Formerly KC KIT
The Myositis Association-TMA

In Memory of Harley Russell

Myositis Mini Conference
June 25, 2011

Mark your calendar and please plan to attend our upcoming Myositis Mini Conference.

A note from Kathy Goode, Group leader....

I am excited to announce KC is having a Mini Conference on June 25th, and want to encourage all that are able to travel to attend. TMA has changed our name from KC KIT Myositis Support Group to the KC Myopathy Support Group. We have worked very hard to put together this conference to be held at the Landon Center on the KU Medical Center Campus. Dr. Amato from Boston, MA will speak and then join a medical panel from KUMC, more details included. I want to express my appreciation to all that helped, especially to Susan McLoughlin, Jodie Garcia and Laura Herbelin for coordinating this special event. For those that remember Harley Russell, past leader, he would be very proud.

Hope to see you June 25th!

IMPORTANT

Please RSVP: Space is limited. We also need an estimate of attendees so boxed lunches can be ordered!!

RSVP by June 11 to any of the following committee members

Kathy Goode: kgoode@ci.liberty.mo.us

Susan McLoughlin: smcloughlin@mchc.net

Jodie Garcia: jtgarci8@aol.com

Attached is the registration form and conference agenda.

Please feel free to contact me if you need additional info or need assistance in opening the necessary information.

Thanks and hope to see you-Jodie Garcia
